## Vocab Lesson

...let us explain ourselves...

### Sourdough

Our Sourdough starter "Hope" was born in 2010 of starch, water & local honey. With lots'a nurturing, she's grown to produce 1,000's of loaves to-date of this unique fermented bread. We feed her twice a day & tell her we love her. Yes, it makes a difference.

### Honey Butter Biscuits

Our original drop-biscuit recipe using our long-time local honey provider, Story Farms in Holden, La

### Bacon Confit

Bacon simmered low & slow in it's own fat, further infusing the meat with rich Applewood smoke. Perfect for every application!

### Chili- Lemon Grass Tofu

From local artisan, Tien Dat Tofu, whether you like tofu or need to learn, we suggest you try this unique product! Find them at Crescent City farmer's market

### Cajun Smashed Hash

Creole-spice boiled red potatoes smashed & fried to order and dusted with our Wakin' Bakin' Hash Spice  
\*Vegan!
